

5TH EDITION CITY&TIME

07 - 20.08

The 5th International Gyumri Art Week 2026 explores the theme "City and Time," examining the city as a place where past, present, and future intersect and continuously reshape one another. Through exhibitions, installations, performances, and public programs, the festival invites audiences to reflect on urban memory, transformation, and new visions of the future.

The festival is curated by:

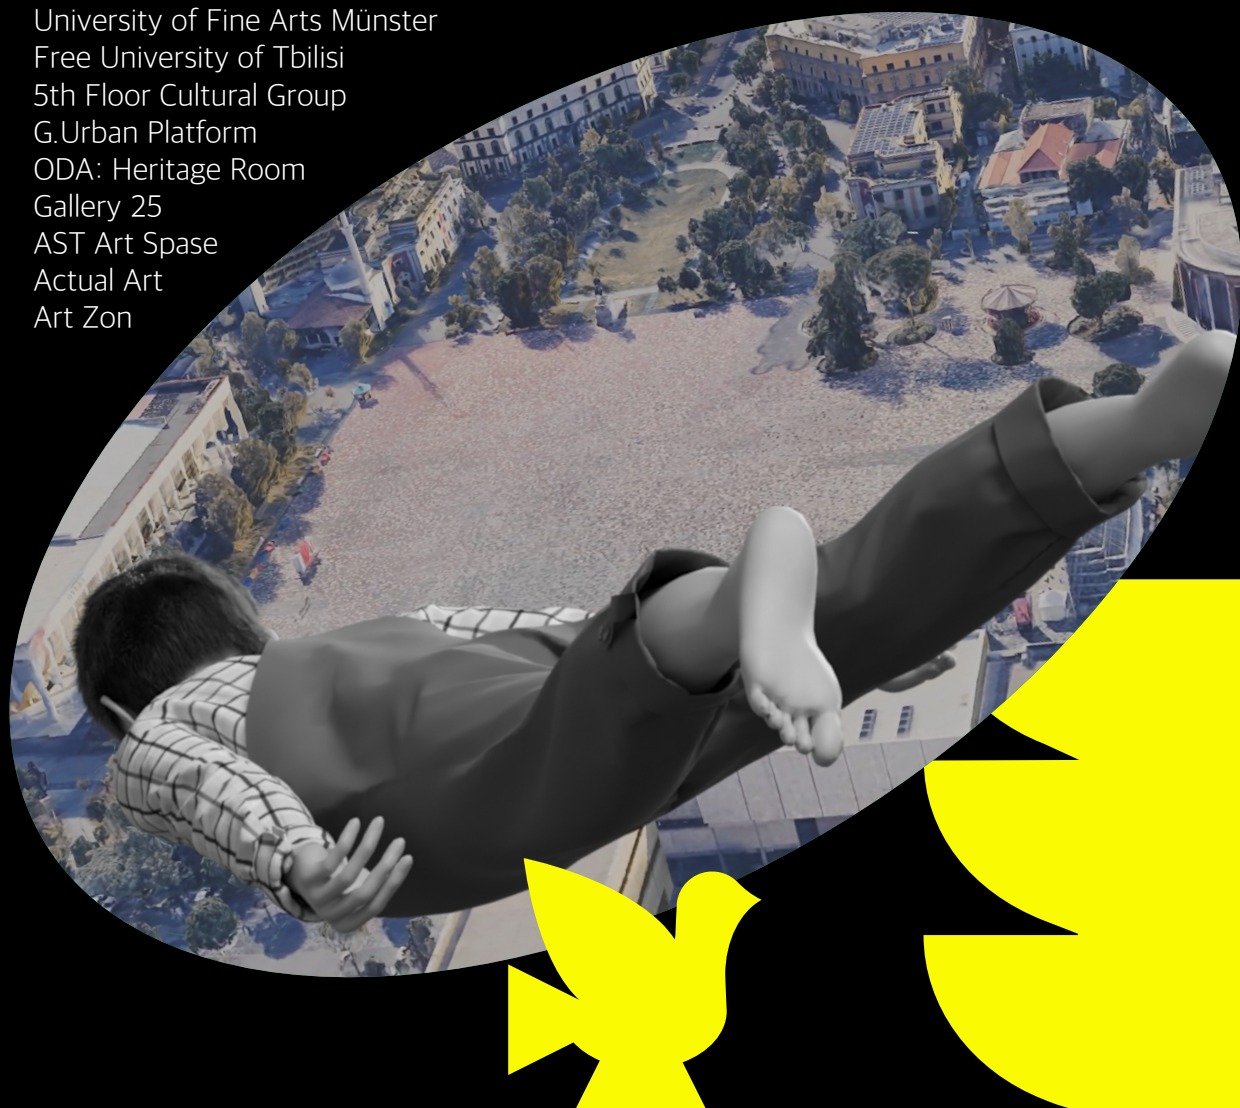

Sargis Hovhannisyan (**GAW**), Nazaret Karoyan (**ICA**), Victoria Ilyushkina (**CYLAND**), Gor Margaryan (**Muthesius**), Jan-Niklas Thape (**Kunstakademie Münster**), Karen Barseghyan (**artzon**), Vahagn Ghukasyan (**Gyumri Branch of the State Academy of Fine Arts of Armenia**), Irena Popiashvili (**Free University of Tbilisi**).

Participants:
